

Ancient & Modern

This cruise takes in the start of modern canals in Worsley & the recently built Liverpool Link.

Starting either in Liverpool or at the Bridgewater Marina near Manchester the cruise passes through a variety of landscapes including flashes, flooded areas resulting from mining but now nature reserves, & superb countryside.

Along the way we will:

- ◆ Visit Worsley, generally recognized to be the birth place of modern canals,
- ◆ Cross the Manchester ship canal on the Barton Swing Aqueduct,
- ◆ Pass Wigan Pier
- ◆ Go through typical English countryside
- ◆ Travel along Liverpool's historic waterfront passing by the photogenic Three Graces
- ◆ Moor up in South dock
